

Exotic Gamebird Maintenance

Mazuri® Exotic Gamebird Maintenance is a complete game bird feed designed to meet the nutritional needs of immature or non-breeding, adult ornamental pheasants, guinea fowl, and other game birds with similar feeding patterns. Mazuri® Gamebird diets are designed for optimal growth rates, chick success, quality feathering, health, and longevity.

Features and Benefits

- **Balanced levels of essential nutrients** – Provides nutritional balance to keep non-breeding birds in good condition.
- **Suitable for ground or through feeding** – Adaptable to the established feeding routines.
- **Extruded particles** – Uniform size, easy to feed, and minimizes fines and waste.

Product Form & Packaging

Catalog #0026049 | Extruded Particle | 3/16" round | 40 lb. (18.14 kg) net weight paper w/poly bag

Guaranteed Analysis

Crude protein not less than	12.00%	Calcium not more than	1.10%
Crude fat not less than.....	2.50%	Phosphorus not less than	0.60%
Crude fiber not more than	10.00%	Salt not less than.....	0.05%
Ash not more than	7.00%	Salt not more than	0.55%
Calcium not less than	0.60%		

Ingredients

Ground Corn, Wheat Middlings, Ground Wheat, Dehydrated Alfalfa Meal, Dehulled Soybean Meal, Calcium Carbonate, Fish Meal, Soybean Oil, Glyceryl Monostearate, Salt, L-Lysine, Dicalcium Phosphate, Vitamin D3 Supplement, Biotin, DL-Methionine, d-Alpha Tocopheryl Acetate (Vitamin E), Pyridoxine Hydrochloride, Vitamin A Supplement, Choline Chloride, Preserved with Mixed Tocopherols, Folic Acid, Manganous Oxide, Rosemary Extract, Zinc Oxide, Citric Acid (a Preservative), Nicotinic Acid, Thiamine Mononitrate, Menadione Sodium Bisulfite Complex (Vitamin K), Riboflavin Supplement, Vitamin B12 Supplement, Copper Sulfate, Calcium Pantothenate, Calcium Iodate, Sodium Selenite.

Feeding Directions

- Feed free-choice to non-breeding, adult birds.
- Always provide plenty of fresh, clean water.
- Thoroughly wash feed and water bowls on a regular basis. It is always good practice to wash hands thoroughly after feeding and/or handling animals.
- This diet is not for human consumption.

Storage Conditions

For best results, reseal the bag between uses or store contents of open paper sack in container with sealing lid. Store in a cool (75°F/24°C or colder), dry (approximately 50% RH) location free from rodents and insects. Do not offer moldy or insect-infested feed to animals as it may result in illness, performance loss or death. Freezing will not harm the diet and may extend freshness. Use within 1 year of bag manufacturing or "Best if Used By" date.
