

Pelleted Paper Bedding

NATURALLY LIGHTWEIGHT AND ABSORBENT

SOFT AND COMFORTABLE

These high-quality, ultra-lightweight pellets provide a soft, comfortable environment for animals.

CLEANER, HEALTHIER ENVIRONMENT

Featuring 3x absorption power, these pellets are designed to keep cages cleaner and drier. This level of moisture control also keeps odors in check.

REDUCE CAGE CHANGES

With increased moisture and odor control, our pelleted paper bedding decreases cage changes.

VIRGIN PAPER SOURCE

Made from pre-consumer, virgin paper, these pellets are cleaner and more eco-friendly than post-consumer and recycled alternatives.

BRIGHT WHITE COLOR

Our pelleted paper bedding utilizes bright white paper, allowing for easier health checks. This bedding is ideal for breeders, surgical and diabetic studies.
